

Epsilon.
HACKS

The word 'Epsilon' is in a large, white, sans-serif font. A stylized white 'E' is positioned to the left of the text, with a thin line connecting its base to the dot of the letter 'i'. The word 'HACKS' is in a smaller, blue, sans-serif font, with a dot above the letter 'i'.

BAY AREA HACKATHON

MARCH 2020

EPSILONHACKS.COM

About Us

OUR VISION

Partner with City of Fremont and surrounding cities to create a hackathon dedicated to real-world, digital solutions to problems that exist in our community.

We aim to provide a comfortable and safe atmosphere for students in the Bay Area to explore and understand these issues.

WHY SPONSOR US?

Your company will be sponsoring tomorrow's software engineers, thinkers, and scientists. Resources that you provide us with will help more people learn about your company and how it is influencing the world today.

WHERE WILL YOUR MONEY GO?

All money contributed to Epsilon Hacks will be used to fund the food, venue, workshops, presentations, and other initiatives that aim to make this hackathon a memorable experience for all who attend.

Sponsorship Levels

Other Ways to help

- Sponsor a meal for students
- Host a software workshop or activity to get students interested in the community
- Send company representatives to our booths where they can spread the company's swag as well as talk to students about their company
